

8th EUROPEAN GI MOTILITY MEETING

Thursday 22nd – Saturday 24th March 2018

The Grange St Pauls Hotel, London

Friday 23rd March 2018

07.30 – 08.15 **Breakfast Company Symposium**

Session: Gastro-oesophageal Junction and Stomach

Chairs:

Professor Taher Omari, Flinders University, Adelaide, Australia

Dr Keith Lindley, Great Ormond Street Hospital, London, UK

08.30 – 08.50 **pH/Impedance - gold or old?**

Professor Rachel Rosen, Boston Children's Hospital and Harvard Medical School, Boston, USA

08.50 – 09.10 **Assessment of gastric function**

Dr Efstratios Saliakellis, Great Ormond Street Hospital, London, UK

09.10 – 09.35 **Obesity and Functional GI Disorders**

Professor Annamaria Staiano, University of Naples "Federico II", Naples, Italy

09.35 – 10.00 **Gastroparesis in children**

Dr Osvaldo Borrelli, Great Ormond Street Hospital, London, UK

10.00 – 10.30 **Abstracts**

The Role of Multichannel Intraluminal Impedance – pH testing in the Clinical Management of Children with Gastro Oesophageal Reflux Disease

Ms Hema Lattha Gunasagan, University of New South Wales, Australia

Salivary pepsin measurement cannot be used for the diagnosis of infant gastro-oesophageal reflux disease

Ms Maartje Singendonk, Emma Children's Hospital/AMC, Netherlands

Prevalence of Dumping Syndrome after a surgery for Oesophageal Atresia Type C without Anti Reflux Surgery

Dr Madeleine Aumar, University Hospital of Lille, France

8th EUROPEAN GI MOTILITY MEETING

Thursday 22nd – Saturday 24th March 2018

The Grange St Pauls Hotel, London

10.30 – 11.00 **Coffee Break**

Session: Small Intestine

Chairs:

Dr Nikhil Thapar, Great Ormond Street Hospital & University College of London, London, UK

Professor Licia Pensabene, University of Catanzaro "Magna Grecia", Catanzaro, Italy

11.10 – 11.45 **KEYNOTE LECTURE**

The Master Enteric Nervous System: lessons for disease

Professor Vassilis Pachnis, Crick Institute, London, UK

11.45 – 12.05 **Antroduodenal manometry and MRI**

Dr Osvaldo Borrelli, Great Ormond Street Hospital, London, UK

12:05 – 12.30 **Paediatric Intestinal Pseudo-obstruction**

Dr Nikhil Thapar, Great Ormond Street Hospital & University College of London, London, UK

12.30 – 13.00 **Abstracts**

Role of intestinal transit scintigraphy in management of severe bowel motility disorders

Dr Fabio Fusaro, Bambino Gesù Children's Hospital, Italy

Computerised analysis of cyclical motor activity in the small bowel: Is there a distinct physiological pattern in chronic intestinal pseudoobstruction?

Dr Mark Safe, Great Ormond Street Hospital, London UK

Chronic intestinal pseudo-obstruction in children: five-years' experience of the National Diagnostic Service in United Kingdom

Dr Anna Rybak, Great Ormond Street and Royal London Hospital, London UK

13:00 – 14.30 **Lunch and Poster Session**

8th EUROPEAN GI MOTILITY MEETING

Thursday 22nd – Saturday 24th March 2018

The Grange St Pauls Hotel, London

Session: Key Players in GI motility: The Cutting Edge

Chairs:

Professor Charles Knowles, Queen Mary University of London, London, UK

Professor Carlo Di Lorenzo, Nationwide Children's Hospital, Columbus, Ohio, USA

14.30 – 14.55 **Barrier Function**

Professor Michel Neunlist, University of Nantes, Nantes, France

14.55 – 15.20 **The Microbiome**

Dr Niall Hyland, University College of Cork, Cork, Ireland

15.20 – 15.45 **The Brain**

Dr Adam Farmer, University Hospital of North Midlands, Stafford, UK

15.45 – 16.10 **The Genes**

Professor Robert Hofstra, University of Rotterdam, Rotterdam, Netherlands

16.10 – 16.35 **Neuroimmune Interactions**

Professor Giovanni Barbara, University of Bologna, Bologna, Italy

16.35 – 16.55 **Coffee Break**

Session: Functional GI Disorders

Chairs:

Professor Marc Benninga, University of Amsterdam and Emma Children's Hospital AMC, Amsterdam, Netherlands

Professor Silvia Salvatore, University of Varese "Insubria", Varese, Italy

16.55 – 17.25 **Functional Abdominal Pain Disorders**

Professor Miguel Saps, Nationwide Children's Hospital, Columbus, Ohio, USA

17.25 – 17.50 **Gastro-oesophageal Reflux Disease: the latest guidelines**

Professor Yvan Vandenplas, University of Brussels, Brussels, Belgium

8th EUROPEAN GI MOTILITY MEETING

Thursday 22nd – Saturday 24th March 2018

The Grange St Pauls Hotel, London

17.50 – 18.10 **Cyclical Vomiting**

Dr Keith Lindley, Great Ormond Street Hospital, London, UK

18.10 – 18.35 **Rumination and Aerophagia**

Dr Michiel van Wijk, University of Amsterdam, Amsterdam, Netherlands

18.35 – 19.00 **Abstracts**

Supragastric belching: a behavioural disorder presenting in adolescents

Dr Kornilia Nikaki, Queen Mary University of London, London

The use of combined oesophageal impedance-pH recording in the evaluation of gastro-oesophageal reflux in patients with respiratory illness

Dr Huey Miin Lee, The Royal London Hospital, London

Interest of high resolution manometry R-waves in diagnosing rumination syndrome in children

Dr Madeleine Aumar, University Hospital of Lille, France

19:00 **Closing of the day**

20.00 – 22.00 **Conference Dinner**
